Served with care

Finding a sensible take-away solution can make a world of difference these days. Here are a few of the opportunities and advantages our solutions offer for boosting business and consumer confidence:

- 1 Ensure hygiene with single-use
- 2 Lock in contents, seal in freshness
- 3 Protect food against tampering and contamination
- 4 BRC Certified (or equivalent food safety certification)
- 5 Help you to bring joy from your kitchen to your fans

Fresh and hygienic every time

From hygienically sealed trays made from FSC®-certified cardboard, to leak- and tamper-proof RPET glasses, the Duniform® concept provides the ideal means to delight customers with meals that are guaranteed fresh every time.
